NIHL 2019/20

WHO ARE THE SWINDON WILDCATS?

The Swindon Wildcats are a professional ice hockey team that ply their trade in the newly formed National Ice Hockey League (NIHL), which runs from September all the way through to April each year.

The Cats play their home games at the GLL Better Swindon Ice Rink and consistently fill out the 1,600-capacity arena, which generates a unique and not-to-be-missed atmosphere!

The rink offers some of the best viewing points in British ice hockey and includes several VIP areas, ensuring that everyone is catered for.

Established in 1986, the Wildcats boast a rich and colourful history and proudly celebrated their 30th anniversary in 2016.

The Wildcats organisation has gone from strength to strength both on and off the ice in recent years under the stewardship of Steve Nell (Managing Director) and his family.

With the biggest Academy system in the UK and a partnership with the Okanagan Hockey Academy, the future looks bright for the Wildcats who also operate a hugely successful community charity.

With Player/Coach Aaron Nell having assembled a competitive team on the ice and with a committed and dedicated workforce in place behind the scenes, the Swindon Wildcats are looking to move to the next level in 2019/20.

SWINDON WILDCATS | STATS & FACTS

SWINDON WILDCATS | TESTIMONIALS

HELEN HOUGHTON, OPERATIONS MANAGER AT BRITZ FISH & CHIPS

"Britz Fish and Chips have been sponsoring the Swindon Wildcats for a number of seasons now. The support we have received has been brilliant, we couldn't ask for anymore. The 50/50 tickets have been great for our brand awareness, bringing in new customers after the games. The team love the buzz of a Saturday from the supporters who come in for their food after the games. Sally is an amazing person to work with and we look forward too many more seasons with Swindon Wildcats".

HAZEL GALLOWAY, GENERAL MANAGER AT JURYS INN SWINDON

"Jurys have been working with Sally and the Wildcats this season as a sponsor and it has been fantastic. Sally is dedicated and proactive to help both partnerships and has made everything so easy. Fast to react and has excellent ideas to help promote the business in partnership with the team".

ELLIOTT WOODHEAD, DIRECTOR AT ARVAL UK

"Arval has been a proud Sponsor of the Swindon Wildcats for many years. We are a large local employer with many of our employee's regular attendees at the Link and supporting the team around the country. Our staff tell us that they love the family atmosphere on Saturday nights and seeing the Arval logo on the players' shirts and around the rink.

We are hugely impressed with the way that Steve and everyone associated with the club have built things up over the last 30 years. We could not ask more of Sally and her team in terms of maximising the value of our sponsorship. The networking events are excellent, Royal Box nights are great fun for customers and employees and our profile has increased around the town. We also love supporting the work the club does in the community to promote the benefits of a healthy lifestyle. Success on the ice over the last couple of seasons has also been great and we look forward to many more years in partnership."

MARK PUFFETT, MANAGING DIRECTOR AT MLL PRINT AND DIGITAL

"MLL Print and Digital have been sponsoring the Swindon Wildcats For over 6 years. It is the best value for money advertising that we have ever used. Nothing is too much trouble for Sally and her team.

We have used their amazing Social Media to release videos with the players as well as always being liked and retweeted to over 9,500 followers.

I would fully recommend sponsoring such a lovely, family feeling team and urge you to go to see a game at the link centre and experience crowds of up to 1,400 supporters creating an amazing atmosphere all looking at our branding on the rink board, players shorts and pictures taken at the end of the game".

JASON STICKLEY, ARTWORK & DESIGN SOLUTIONS

"Artwork & Design Solutions, have sponsored the Wildcats in various forms over the past few seasons, from rink board, zamboni, full team shirt and shorts sponsorship and full player sponsorship. Sally and her team have been brilliant and very receptive to any request we've made. I whole heartedly recommend companies to get involved with the Wildcats..... you won't regret it.

SWINDON WILDCATS | OUR SPONSORS

SWINDON WILDCATS | IN THE COMMUNITY

The Swindon Wildcats In The Community (SWITC) is a non-profit charity which was established in 2008, with strong links to the Swindon Wildcats Ice Hockey Team. We recognise our role within the whole community and strive to develop both sports participation levels and raise awareness of the severe importance of a healthy lifestyle for children and adults. Currently we have two main divisions, our Community Schools Programme and the Swindon Wildcats Ice Hockey Academy.

The Community Schools Programme was set up in 2008, since that date we have worked with over 75 primary or secondary schools and more than 6,500 children through our introduction to ice skating, street hockey, school visits and kidzone schemes. Throughout the year there are many visits made into the community to promote inclusion and personal development, these include many player visits, presentations and assemblies.

Every year there is a growing number of countless charities where partnerships have been created in the area, many of which share the same values and support our same aims. The Swindon Wildcats Ice hockey academy (SWIHA) is one of the largest junior ice hockey academies in the UK, providing as a platform for many players to compete at higher levels for regional, national or international teams. We have over 200 members, both boys and girls from the ages of 5-18. Alongside this we have weekly child and adult learn to play sessions and a vast array of adult recreational teams.
